### **How to spend 2 days in Barcelona**

You're about to spend 2 days in Barcelona and you want to see the best this iconic city has to offer? We start our 2 days in Barcelona from the most famous boulevard in town: **La Rambla** (singular) or **Las Ramblas** (plural) is named after the Arabic word 'Ramla', meaning 'sandy riverbed'. It refers to the origins of the street outside the walls of **the Gothic Quarter**. Our next stop is one of the most picturesque places in town: **the Barcelona Cathedral**, seat of Barcelona's Archbishop, with an astonishing Gothic design. We start the second of our 2 days in Barcelona with the biggest landmark in Spain, **the Sagrada Familia** and after this two other Gaudi masterpieces: Casa Batlló and Palau Güell, a modernist house.
